Naomi

A Star Is Born

An L.A. girl born and bred, it only made sense that Naomi would try to make her way in the world of film. Unfortunately, she didn't seem destined for the silver screen, the competition too tough, her ability to memorize lines too limited. Though lacking in certain talents, Naomi is not easily dissuaded, the lure of being a star all too strong. It only made sense that she try another type of film - a raunchier and more adult variety. For porn, she definitely had what it took and the best part was that it didn't matter if she forgot her lines.

Though she had always considered herself free-spirited, she quickly discovered she had a lot to learn.

Though a pretty perfect specimen all over, there was one part of Naomi's body over which directors swooned - her ass. It was perfectly formed for some depraved anal action. The only problem was that Naomi was an anal virgin.

Never one to shy away from a challenge, Naomi took the plunge and was shocked to discover that she enjoyed it. It made her feel like a dirty slut and she completely got-off on this notion.

She was soon known as an anal queen - a title she was very proud to hold and worked hard to maintain.

Storemag

There's something to be said for creative integrity, though lucky for us, Naomi seems to be lacking in this particular department. If you've got a casting call coming up give her a call.

Katie

*Good Wife Lets Loose
At Company's Convention*

Everyone who knows Katie knows that she epitomizes responsibility. In fact, as far as anyone knows, she has never done anything improper. And that was true... at least until she met David while she was away at a business conference. For some reason, she was instantly smitten with him. When she looked at him, she seemed to forget the fact that she never fucked strangers, never had one-night stands - and, most importantly of all, that she was married. All she knew was that she wanted David's cock in her cunt.

She told herself it was high time she let her hair down and do something completely uncharacteristic. After all, who would ever suspect that proper little Katie was dirtying the sheets like a common slut?

Of course, David had no qualms about bedding the fiery young blonde. He was happy to note that once she was in the sack, she was pure filth.

Katie had to admit that David was a much more polished lover than her husband. Instead of feeling guilty about what she was doing, she got a perverse thrill out of it. Besides, it was kind of hard to think with David's shaft deep inside of her.

Seems like responsible Kate's
a thing of the past. We like the
new Katie much more. Here's
her office number. Have fun!

To the Editor:

I was a married guy in my mid 30s and had just separated from my wife of the last four years. My libido had always been high, but now it was getting out of hand (pun intended!). I was running around more and more with my pants sticking out in front as if I had a kid's ball bat in there.

My heart wasn't yet into finding a new girl because I was still married, plus, kind of raw from the separation from Janet. That didn't keep me from needing sex, though. That night I had just dined at a Mexican restaurant near city-centre and was driving home, wishing for some kind of interesting diversion.

On the way, I noticed an adult arcade that I'd seen several times but never visited. I knew from the guys at the office that the place offered sexy books and videos. Steve had told me that you could even watch a selection of hard-core videos in the privacy of your own booth. Tonight, that sounded better than just going home and wanking off and I was in no mood for a bar.

So I thought to myself, "What the Hell?" and turned in. Feeling nervous, but already getting horny at the thought of watching some beauties suck and fuck, I had to rearrange my cock in my pants to minimize my own "show" before I went in.

I walked in bravely, as if I knew what I was doing. I browsed around the books and videos for a while, the explicit pictures and words making me harder all the time. My right hand slipped into my pocket so I could press and squeeze my seven-inch, circumcised pride and joy without being too obvious about it.

I noticed that most people there were guys, but there were a couple of attractive women, too.

BOOKSTORE BLOWJOB

That surprised and excited me, even though they were with their guys. It was just sexy to think that some women enjoyed this, too.

Sooner or later, everyone seemed to gravitate to the arcade. I watched a few get tokens at the counter before they went in. "Time for action," I thought to myself, so I went over and got ten bucks' worth, wondering if that would be enough. I figured it would, since I was already so damned horny.

I sauntered over to the arcade trying to look as casual as I could. Yeah, right! Like no one was going to know I was about to go into a booth and masturbate my hot meat to a roaring climax, or maybe two.

I entered through a hallway where the features were advertised with colorful video cartons displayed in a glass case built into the wall. The pictures of women were all great, and the men all well hung. Although I'm not gay, like most guys, I admire handsome cocks when I see 'em. A sign explained that the number on each carton was the channel on which that

video appeared.

As I scoped out the triple-X action on the cartons, my cock was starting to ooze right through my shorts onto my pants. I knew I had to get some relief or my pants would have big spots all over the front. So, I walked on into the arcade's long, very dim hallway, which was lined with a series of doors. Some were ajar, and I chose one of those and entered the little booth.

There was a very low-wattage bulb and a switch if you wanted to turn it off. I checked where to drop the coins and where the seat was, latched the door, and fed a handful of tokens into the machine. The video snow changed immediately to a clear picture of a couple fucking. My face got all hot and flushed as I watched for a minute before turning off the light and sitting down. Then I flicked through the channels until I found a video I liked better.

It showed a very pretty, dark-haired girl spread on the edge of a hot tub, moaning as her guy was licking her clit, rubbing her belly, and squeezing her butt. "Ah, yesssss," I sighed as I dropped my pants and pulled my big woody out through the opening in my shorts. I let my full balls hang over the bottom of the fly of my shorts. I liked that because it put pressure on the bottom of my balls, which always intensified the pleasure of masturbation. I started

stroking him up and down as I stared at the action onscreen.

The woman in the video was still moaning and sighing, but soon I noticed that there seemed to be more than one set of feminine moans and sighs. At first, I was too busy pleasuring my slippery cock to pay much attention, but after a few minutes, it got through to me that the sound seemed to be coming from next door, and I looked around the booth.

For the first time, I saw an opening in the side wall, about six inches square. "Ahhh!" I thought. Bending a little, I looked through the hole into the adjoining booth. The light from the screen there let me see the bare round bottom of a woman moving back and forth a little. My cock jerked up even higher at the sight of a fine naked female ass right there in front of my eyes... his way of saying, "Yummmmm, gimme some of that!"

As I looked more closely, I saw she was giving head to the proud cock of a guy seated in front of her. My hand squeezed my meat harder as I watched, and pumped back and forth along the length of him a few times. Watching this action, I was getting hotter than I could remember ever being.

I let out a husky groan, which my fellating neighbor must have heard through the opening. She glanced my way, then moved her bottom to the opening I was gazing through and shook her cute little butt at me. I took that to mean she wanted some attention, so I reached through and palmed her fine ass, causing her to snug up against my hand in pleasure and breathe a soft, "Oh, yessss, baby!" ... but it was loud enough for me to hear.

Encouraged, I moved my hand all over her round ass and up and down the crevice between those globes, then down to her pussy. My middle finger extended under her looking for her slit, found it, and slid back and forth along her lips. She was sopping wet, and spread herself for me by squatting down a bit and pushing back even more. That let me slip my finger into her fairly deep, then I added a second finger, eliciting an "Um-mmmmmMMM!" from her stuffed mouth. Her pussy was very snug, even with all her squishy juice, and there was lots.

At that instant, I would have given the world to get my cock inside this hot and sexy girl's inviting box. As if she could read my emotions, she pressed her butt firmly back against the wall, my fingers still inside her. She bent down further over the cock she was sucking. I quickly got the idea—Hell, I'm no dummy! — and stood up, pointed my raging erection through the opening and rubbed it around on her bottom.

We were both hot for each other, and we adjusted our stances so that my helmeted glans - which felt like it was about to burst - soon found her slit and slipped inside her two or three inches. God, but she felt like liquid fire in there, and I was mad to plunge myself into her all the way.

But the thickness of the wall my cock was sticking through limited how deep I could get inside her. I raised up on my toes and pressed myself tight against the wall to gain as much of her pussy as I could, straining loins forward to the max. I got maybe four inches into her.

She then started contracting the insides of her pussy around me. She was very good at it, because those soft, hot folds inside her massaged my meat better than any hand ever could. She was about to suck the cum right out of me with her convulsive squeezing.

Then, suddenly, she pulled away from my cock, leaving my cock jerking in thin air. "Nooooo," I moaned. "Please, noooo, baby."

But almost immediately, I felt heat and wetness again on my shaft again, this time deeper, and with the distinctive roughness of a tongue on the Oh-so-damned-sensitive underside of my glans.

"God have mercy," I thought. "She's going down on me, now." With her mouth, she could suck me more deeply than with her pussy in this awkward through-the-wall arrangement. I felt like I had smoked about a quarter-pound of hash and had gone to paradise like one of the characters from the Arabian Nights. From her back-and-forth movements and little grunts, I was sure she was being fucked from behind by her partner. That thought made it even hotter.

Pressed up against that wall, moaning, lost in pleasure, my prick inside her soft, sweet, fiery mouth, I soon lost it, squirting four or five long streams of hot cream into her waiting throat. She obviously wanted it, loved it, even. She didn't hesitate, but took it all and sucked even harder until I was drained and ready to collapse. Only then did she let me go, making a kissy-slurpy sound as my cock slipped from her still-sucking mouth.

I bent and could only whisper a husky, "God, thank you, girl... that was the best head I ever had," through the opening. Her hand brushed my cheek as if to say, "You're welcome," and I took that soft hand and kissed it with as much passion as I could muster in my weak state.

Then, she disappeared from my view as the three of us made ourselves presentable to the real world again. I just sat there for a few minutes, getting my breath, letting my overstrained leg and stomach muscles recover. Then I opened the door and went out. I noticed they hadn't left their booth yet, so I hung around the hallway where they would have to pass, hoping to catch a glance of her in the light.

Then I saw them, and my heart did a quick jump. She was a real beauty, dark haired, short, big eyes, a cute nose, and a very nice mouth (I should have known that, right?).

Her body was obviously as good above as I knew it was below. I didn't even notice him, my eyes were so full of her. As she passed, she looked at me and smiled. I wondered if she knew that I was the guy she had just blown so wonderfully. A small smile passed between us, hinting that she did, and then they left.

Not wanting them to think I was following them, I waited a few minutes, then started to leave. As I passed the counter, the clerk said, "Hey, man, the little dark-haired lady who just left asked me to give you this on your way out."

It was a card, with a phone number written on it.

Veronica

Working In The Workout

Veronica has never had a problem with her weight and, in fact, has always been quite slim. Even so, she visits her gym religiously, though she never really spends much time working out. She's one of those people who hit the gym in order to scope out new fuck buddies. She likes her men hard and hung, and what better place to scope out this particular type of guy? Over the last couple of years, she's been very successful, though that's not really surprising given her hot body and bubbly personality. Her newest conquest has been helping her with her routine - he's very adept when it comes to endurance training.

She's always been told that warm-ups are an essential prerequisite to high-impact, strenuous exercise, so Amanda always makes sure that they're both properly primed.

Though she might not like to get sweaty on the StairMaster, getting sweaty in bed is a completely different matter.

Of course, it's always good to mix up a workout routine. While anal is not Veronica's favorite style of sex, she doesn't mind an occasional rectal realignment. In fact, she likes that it makes her squirm and squeal.

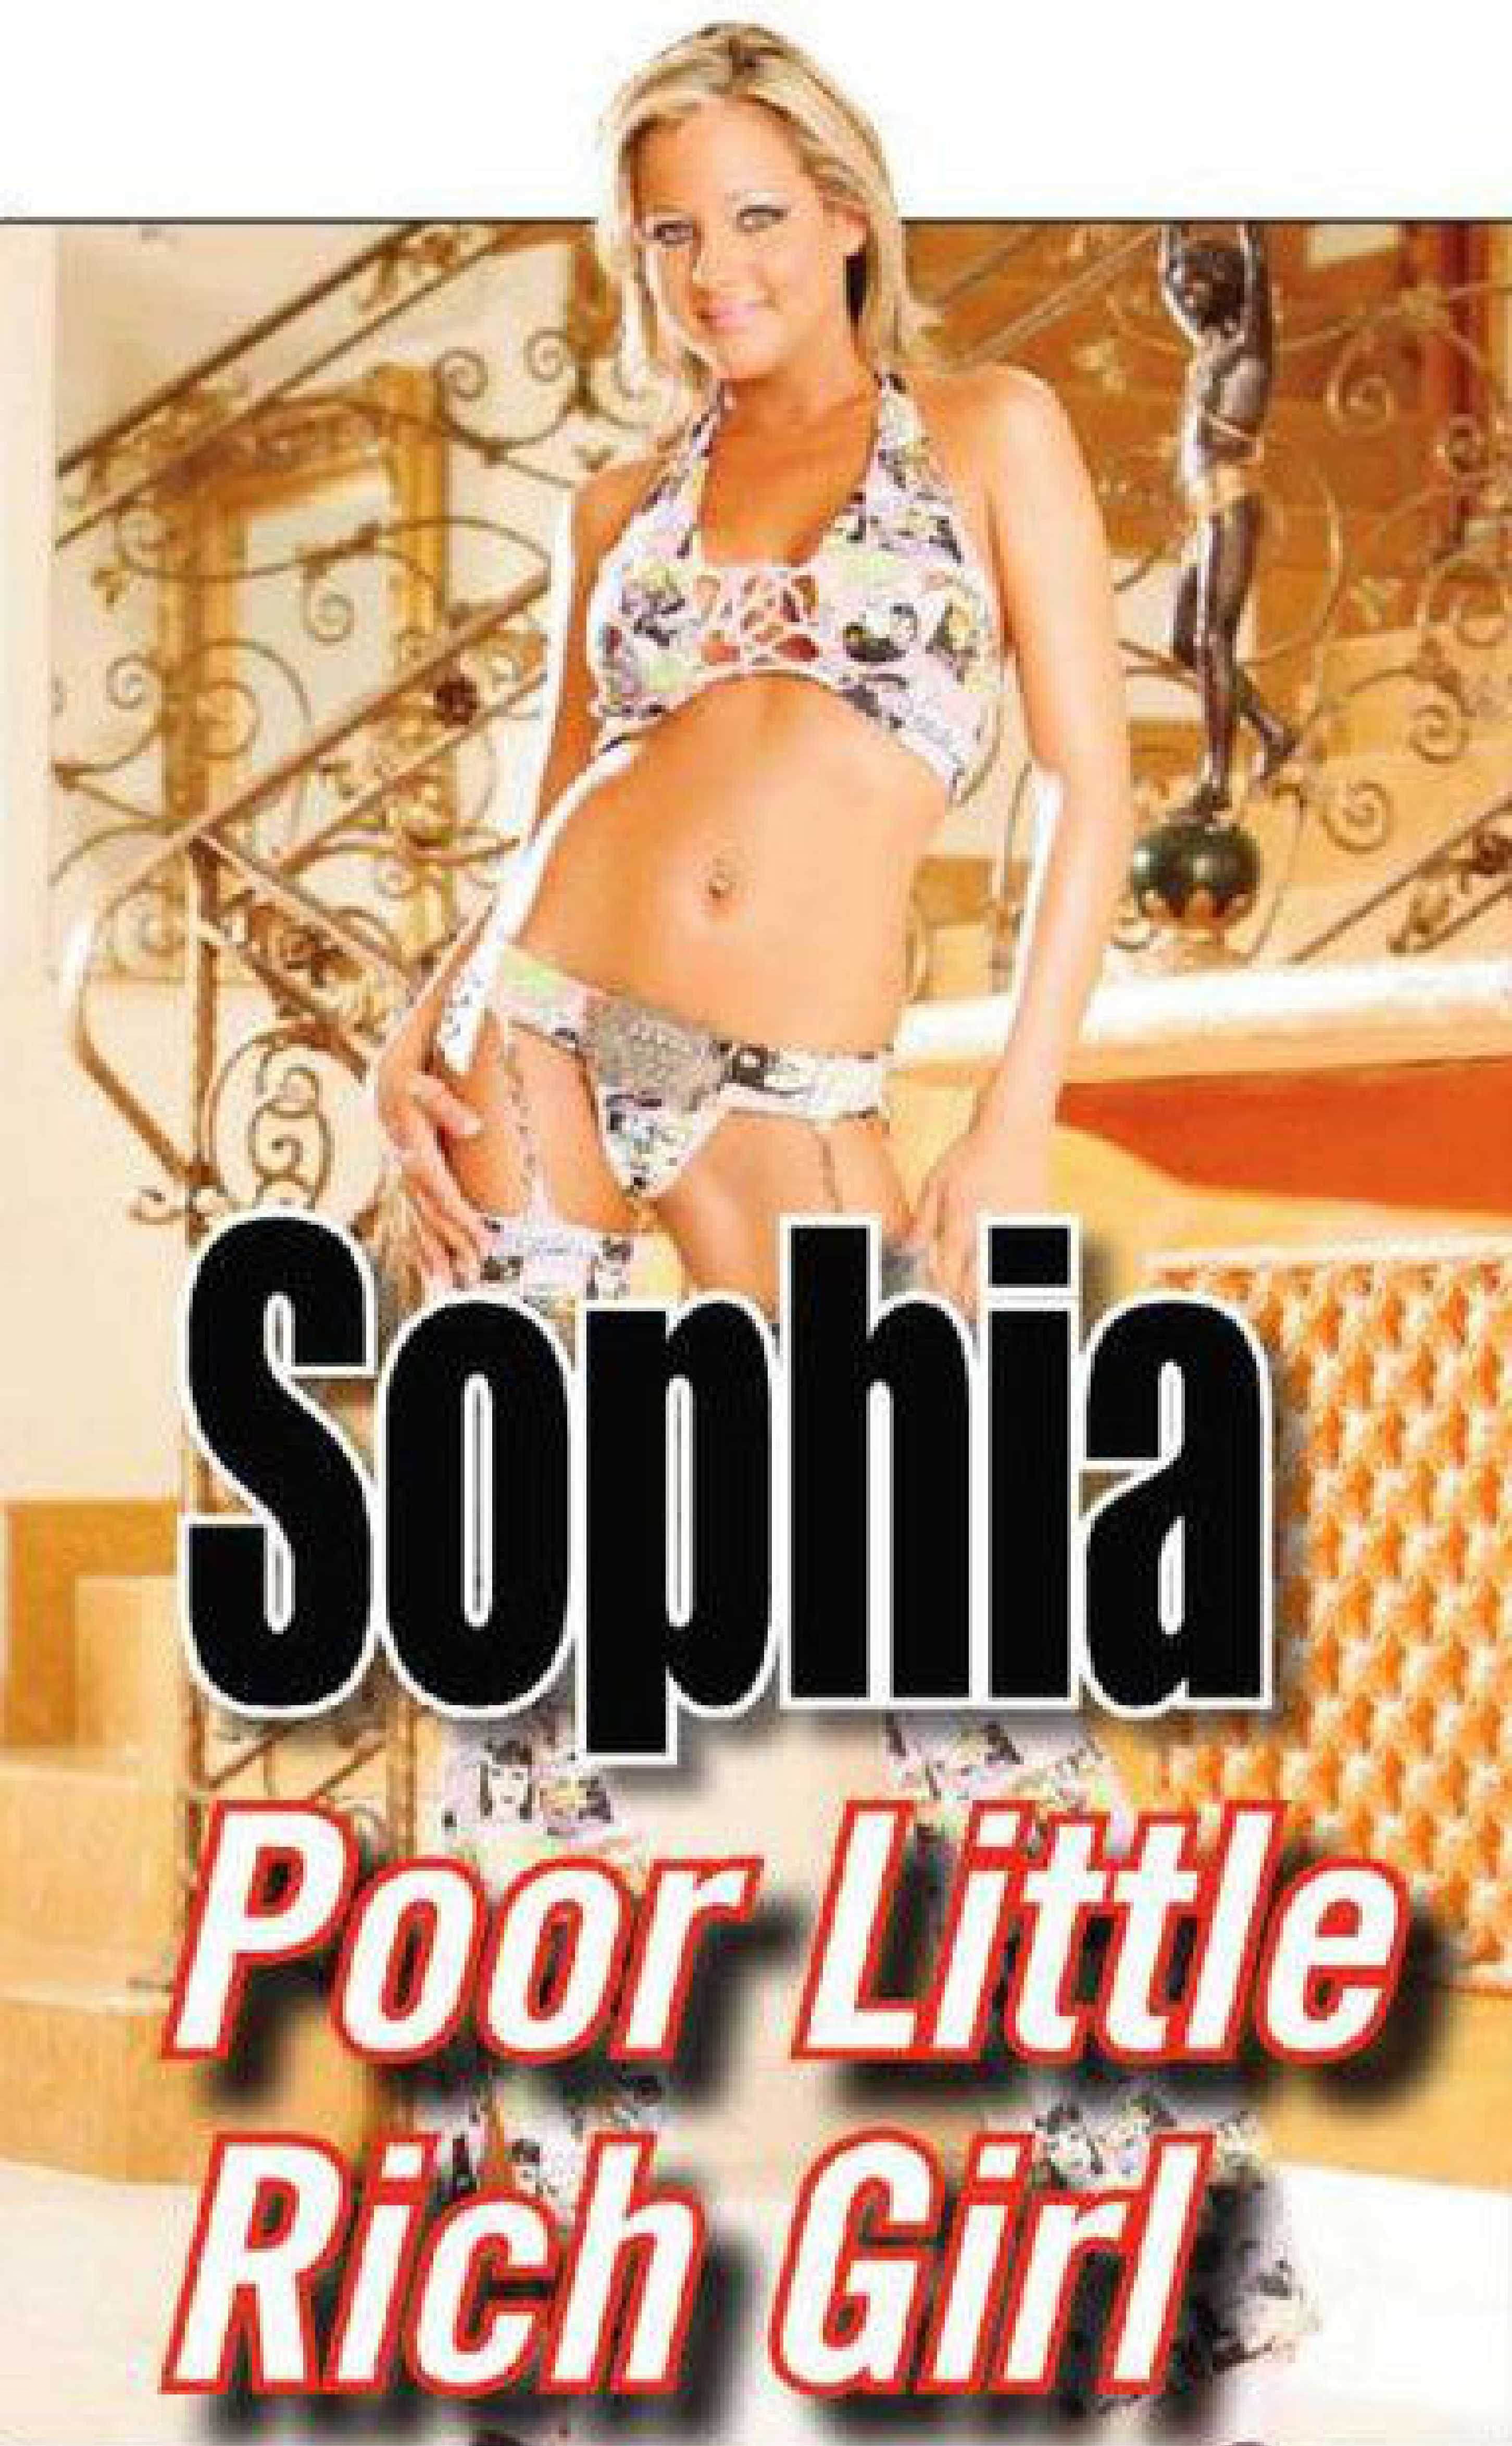

If only all girls were this concerned
about keeping themselves fit.
Tired of your old gym,
give this one a try.

Sophia's never been afraid to push the envelope. From her choice in clothing to her choice in music, she's not afraid to be different. She never had any misconceptions about what she wanted in life - she wanted money and she wanted lots of it. While she wasn't opposed to working for it, she preferred the Anna Nicole method of money-making. Landing a rich husband is easier said than done, but if anyone can manage it, Sophia can.

And manage it she did. Now she's set for more than one lifetime, living the life of leisure and able to indulge her every whim. She doesn't even mind her husband too terribly much. While he is dull and unimaginative in bed, she has more than enough lovers to make up for it.

Her husband suspects her infidelity, but as long as it isn't obvious, he's willing to live with it. Aside from the fact that she's clearly a gold-digger, she looks good on his arm, so why not let her have her fun - just as long as he gets his too.

A surprising number of men have been in Sophia's house and cunt. She has an eclectic taste and likes variety, as well as quantity. Frankly, there's nothing this chick won't try.

In fact, if something is considered taboo, Sophia's probably already tried it and liked it. After all, it's difficult for a perpetually cheating wife to have decently aligned parameters.

Smart girl - has her cake and eats it too.
She's taking on all cummers.

Cytherea was a late bloomer, but that just means that she's had work extra hard to make up for lost time. All through her teen years, she was preoccupied with school and athletics. College was much the same. It wasn't until her 30th birthday that she realized that she really didn't have much to show for the last several years - aside from diplomas and trophies. She went to her friend for advice, knowing that she was a notorious slut and never without at least one man panting after her. It was at this point that her education in sex began - initiated by her very generous and horny gal pal.

Cytherea

Making Up For Lost Time

StoreMags.com

Thankfully, Cytherea didn't stick with women. Though she thought it was nice, and she still swings with girls from time to time, she found that her true love was for dick.

Even though she had no experience, she was eager and she learned fast. It's hard to say no to such a looker, so she never ran out of potential study partners.

Now, many months later, Cyth-
erea's innocent, virginal days are
but a distant memory. While some
might call her a nympho, she
prefers to consider herself a very
skilled fucker.

Just goes to show, a slut's never too old
to train.

Are you a good teacher?

Olivia

Fuck Friends

Olivia's always been a go-getter and excels at pretty much everything she does. She graduated from law school in 2 years, was lucky enough to land a position with a prestigious firm and since then, has risen quickly. All that hard work takes its toll though. Olivia realized this early on and knew to avoid burn-out, she would have to temper her stress with plenty of uninhibited, fun play-time. So far, her plan's worked perfectly. At some point, she'd like to make time for a boyfriend, but for now, she's perfectly content with casual flings.

S
In her line of work, she runs across plenty of unscrupulous people, so she does her best to avoid sleeping with people in her profession. Though, at some point, if she gets desperate, she would have no lack of possibilities.

Considering that she is required to be so responsible and professional at work, at home, she allows herself to be as wild as she pleases. She never gets tired of slutty lingerie and role-playing.

Since many lawyers are notorious tight asses, Olivia makes sure to keep her's well used and assessable. She loves the way a good butt-drilling makes her feel so out of control and used.

Between work and play,
Olivia's far from a dull girl.

Alessandra
Party Girl

Alessandra had always been a party girl. Her bashes were notorious around campus and it was common knowledge that Alessandra was up for anything, anytime. After she graduated, nothing changed - she still loved to be wild and crazy and guys knew that she was a sure-shot for a good time. A couple of years ago, she met Paul, who was just about as different from her as could be. Her barely drank and hadn't had many girlfriends. For some inexplicable reason, Alessandra was smitten. From the beginning, it was obvious that Paul wouldn't be able to handle her wild lifestyle, so she had a rather difficult decision to make. Ended up she chose the guy, ditching her crazy proclivities. Strangely enough, she's never been happier.

Since Paul was still relatively sexually inexperienced, Alessandra had the fun task of training him according to her own personal lusts. He never tired of pleasuring his hot girlfriend.

Alessandra's always been particularly fond of oral and there are few places Paul would rather be than be face-deep in her snatch or ass.

Of course, they know they have to keep things fresh - especially considering Alessandra's varied history. These two are far from bed-bound, figuring that anyplace is a good place for screwing.

Storenags

Paul's proven to be an untiring stud - something which is required to make it with a sex-hungry girl like this.

We'd say she's a keeper. Lateky they've been wondering about throwing another guy into the mix. Give it a try.
